Projects

Sugarplum Summit (Ludum Dare 40)

- Designed and solely programmed entire game in under 72 hours.
- Implemented graphics, animations, and audio created by other members of the team into the game.
- Kept team on track with milestones and goals throughout development.

RPG Shop UI (In Progress)

- Currently using Unity's scripting and canvas system to create a modular tabletop RPG shop tool optimized for mobile platforms.
- In the process of playtesting a prototype.

DIE-PARTISAN

- Programmed many gameplay and map elements, including the player character, turret enemy AI, and procedurally bitmapped tile textures.
- Acted as team lead, which includes organizing meeting times, creating milestones, and dividing responsibilities.

Experience

Summer 2017

Counselor, *GreenApple Campus, Olin College.* Needham, MA

- Taught children grades 3-5 the Swift programming language through Swift Playgrounds as well as how to create Augmented Reality apps using Unity.
- Taught children grades 6-9 how to create Minecraft Mods using Java as well as Virtual Reality and Augmented Reality mobile apps using Unity.

Spring 2016 —
Summer 2016

Marketing Assistant, *Coppola Properties, Inc.* Needham, MA

- Edited website pages to show new and updated information.
- Managed data and mail lists using Microsoft Office.
- Scanned and organized files on and off the computer.

Spring 2015 —
Winter 2016

Sales Clerk, *Architrave.* Needham, MA

- Set up and managed POS system, including solving problems and keeping inventory updated.
- Worked cash register and answered phone.
- Stocked shelves, taught co-workers, and cleaned the store.
